POPS Board Meeting

1. Board Member Openings for 2020-2021

- Co-VP
- Print Publicity
- Social Media Publicity
- WMS Drama Rep
- WMS Tech Rep
- WMS Orchestra Rep
- Banquet Coordinator
- Kick off and Holiday Party Host (if we can have parties)
- Writers for Articles and Editors
- Hardy Rep
- Upham Rep

2. Senior Recognition

- This spring we met with the faculty and worked to put some nice things together for the seniors.
- A video was edited by Olivia Gemelli with many of the photos from Barry Braunstein. This went out the past few days to seniors via POPS gmail and will be posted on our FB page and on our POPS website.
- A poster that was designed by a student, Johanna Steensma, and signed (electronically) by the faculty will be delivered to each senior by their faculty as a graduation gift and keepsake.

3. Goals for Next Year:

- Create a Focus Group to support the department for as they work to provide enriching PA opportunities to the students. Working to find ways for POPS to support the department when our usual support may not be needed.
- Fundraising-form a committee with a coordinator to consider:
  - Will we want to take on The Gala next year?
  - Do we want to think about having The Gala every other year?
  - What other fundraising could we do next year or every other year?
  - Alternative that's more low key? Smaller scale, something more casual, less expensive? i.e. A party hosted at someone's home with tickets sold or a "Italian Bistro" idea?
  - Eliciting community feedback
- DE & I focus group-Jill Adams is coordinating and would like others interested in working in this area to join her and form a committee.
  - How can POPS foster DE&I?
  - One idea is having a Senior Profile highlighting a special needs student
